*“We’ll find the right property for you”*

### **About Us**

Our Global Company -Corporate Relocation Services was founded as, and continues to be, a full-service real estate brokerage firm. We provide a broad range of real estate services including residential and commercial sales and leasing. Samantha Richmond, our President, has been personally involved in all phases of real estate for over 20 years. This experience includes: historic preservation, restoration, leasing and sales management, and consulting for developers on issues ranging from planning to final marketing.

### **Description of Our Firm**

Our Global Company -Corporate Relocation Services offers a functional delivery service around a true single point of contact, with a team of experienced, diverse professionals. Our point of difference from other firms may be that our caseloads are limited; when you need help, the person you need to talk to is the person you “get” to. We are primarily “customer driven” while being a competitive, proactive leader in providing services. We have positioned ourselves in the community as being both flexible toward and adaptive to the varying cultures and needs of our clients.

### **Our Corporate Philosophy**

To provide individual and corporate clients with the highest caliber of relocation and real estate services. In response to each client’s unique needs, our Relocation Team is committed to ensuring smooth, organized and problem-free moves. Our exceptional relocation services begin with our Relocation Director and extend through the services provided by our knowledgeable, courteous, caring and capable associates.

## **Company Affiliations**

Our Global Company -Corporate Relocation Services is a privately owned company of independent employees with no financial ties to any other real estate companies. Our memberships in national networks such as International Relocation Services, Employee Relocation Council (ERC), Relocation Information Service (RIS) and National Referral Roster (NRR) offer effective member programs to serve corporate and relocation needs nationwide. The network also offers an incomparable combination of benefits to Our Global Company -Corporate Relocation Services and other independent brokers.

## **Relocation Components**

The Relocation Director, Broker and Sales Associates create a total sensitive and sensible team approach while meeting the unique needs of every person or family being relocated.

Our relocation package is designed to be useful yet extensive enough to be serviceable. Included is information on area communities, schools, taxes, recreation, cultural activities, and many other materials about the area.

## **Sales Associates**

Dedicated and specially trained to provide the relocation services that our clients expect and deserve within specified time limits. This diversity allows us to address all your real estate needs with the confidence and professionalism you deserve.
